The picture depicts a giant statue in the middle. There is a green forest at the back of the statue. You can see the light shining from the right corner of the picture. The statue is covered with green moss. On its left shoulder, there is a small blue flower. You can spot even smaller flowers next to the blue one. There is also a tiny small flower on the other shoulder. To the upper left of the shoulder is a pink butterfly.

The main focus of the picture is a large ship that is docked. The sky is dark and the lights of the ship are on. The lights in the middle section of the ship are a yellowish green colour. The lights of the upper section of the ship are orange. The ship also has strings of lights on the top section. The lower half of the ship is green and the ship has "Hikawa Maru Yoko" written on it. On the wharf in front of the ship a girl and a boy are walking together. The boy is wearing pants, a long sleeved top and a hat which are all blue. The girl is wearing a blue skirt and is wearing a long sleeved white sailor-style top. Other ships and cranes can be seen faintly in the background past the large ship. There is a small patch of grass in the foreground on the right side of the picture.
